Office Payment Policy

As always, we appreciate taking care of your eyecare needs. When paying your bill, we have 3 payment options for your convenience.

1. If you purchase eyeglasses or contacts, and if you pay for these in cash, you will receive a 5% discount. (This discount does not apply to plan copays, whether for materials or exams, or any other examination or treatment services.)
2. There will be no transaction fees for payments made by personal checks. We do ask, however, that if checks are used to order eyewear, they be made for payment in full at the time of order.
3. On all card transactions (credit, debit, gift) there will be an automatic 2.49% transaction fee added to all payments.

I acknowledge receipt of the payment options of South Shore Eyecare Associates.
